

# PENN FENCING, INC.

[www.pennfence.com](http://www.pennfence.com)

888-728-4695

American made components.

## Vinyl Railing

Fabricated in Pennsylvania.

### VINYL ENHANCES ANY PORCH, DECK OR STAIRWAY

Parts manufactured with state of the art co-extrusion technology which out performs most other material.

PVC compound blended with UV inhibitors make for a fade resistant surface.

Systems tested to meet or exceed National Building Codes.

Low maintenance - never need painting or staining.

American made material and parts, fabricated in our own facilities here in Pennsylvania.

Handrail systems available boxed for secure and easy shipment anywhere in the US.

Buy online or order custom designs by phone.

#### Standard Vinyl Handrail

Traditional straight handrail. Both top and bottom rails measure 2" wide X 3.5" high and have aluminum reinforcement.

#### T Rail Vinyl Handrail

Classic T-Style handrail. T-shaped top rail is 3" wide X 3.5" high and paired with 2" wide X 3.5" high rectangular bottom rail. Both rails are reinforced with aluminum.

#### Contoured Vinyl Handrail

Elegant contoured handrail. Contoured top rail measures 3" wide X 3" high, matched with 2" x 3.5" rectangular bottom rail and both rails are supported by internal aluminum.

#### Vinyl Railing Posts

Everything you need to support your stair or handrail from load bearing porch posts to deck mounts and hardware.

#### Accessories

A variety of post caps are available to finish off your posts. You can use all of one type of cap throughout the railing or use a combination of caps. Top off your vinyl railing project with a classic New England style cap or our popular Galaxy solar post cap light.

#### Secondary Vinyl Rail

Code compliant vinyl pipe mounts to regular rail systems to provide continuous ADA compliant aluminum reinforced handrail.

## Vinyl Railing Posts

### **Vinyl post wraps, sleeves and cladding can revitalize your deck or porch!**

...and you never have to paint again. Aging treated wood can become unsightly. While structurally sound, wood posts can exhibit stress fractures and weather over time. Vinyl post covers: cladding, sleeves or wrap, are the solution to making unsightly but structurally sound deck or porch posts and columns attractive and maintenance free.

**Not sure if you should use vinyl post wraps, cladding or post sleeves?**

Call Penn Fencing today! 1-888-PA-VINYL (1-888-728-4695) or visit [www.pennfencing.com](http://www.pennfencing.com) and read our vinyl post covers and retrofit decking article to learn more.

### **Structural Columns**

All vinyl construction with no seam lines. 18,000 lb. post load and 1600 lbs. uplift. Available in 4 styles up to 10' long in White, Tan and Clay.

### **Vinyl Post Wrap**

These vinyl post wraps are designed to cover 4x4 porch posts where a porch has existing posts and an existing roof. Split one piece construction allows installation in a snap. Available up to 10' long. White only.

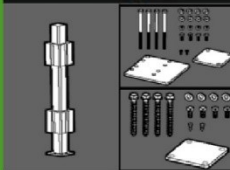

### **Vinyl Post Cladding**

Vinyl Cladding is designed to cover existing or new wooden porch posts. Easy to install four piece construction available up to 10' long. White, Tan and Clay. 4"x4" and 6"x6" sizes can be combined to cover 4"x6" posts. 8"x8" available in white only.

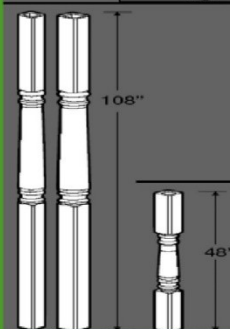

### **Vinyl Post Sleeve**

Vinyl post sleeves are designed to slide over wooden posts in new construction. 4"x4" and 5"x5" sleeves up to 16' long in White, Tan and Clay. 6"x6" up to 10' long and White and Tan only.

### **Blu-Mount**

The Blu-Mount is a post surface mount designed for installing a 4" sq. post sleeve to concrete, wood and composite decking. Designed with an adjustable leveling feature to ensure accurate installation. Concrete or wood/composite hardware sold separately.

### **Porch Posts**

4" and 5" square sizes. White, Tan and Clay colors. Includes structural mounting hardware. Wall Thickness .135 / Length tolerance +/- 1/2". 5,000 LBS Weight Rating.

### **Newel Posts**

4" square. White, Tan and Clay colors. Use with Blu-Mount post mount system.
